

P R O C L A M A T I O N

In accordance with established custom in this State, I, Tom Berry, Governor, do hereby designate April 14, 1933, as Arbor and Bird Day for the State of South Dakota.

This day is particularly designated to bring to the attention of our citizens the importance of tree culture, and the preservation of game and song birds.

On this day I earnestly urge our people to take appropriate measures to insure proper attention to the culture of trees, shrubs and flowers, and the protection of bird life. I believe that it is most fitting that the day be observed in the schools of our state, and that the teachers explain to their pupils the part children can play in protecting these friends of mankind.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of South Dakota to be affixed.

DONE AT THE CAPITOL, in the City of Pierre, this 22d day of March, 1933.
